

The Language & Culture Exchange Spring 2022

Connect with SMC students from around the world!

***Chinese, Spanish, Japanese, Korean,
Persian, French, Italian, Arabic, Hebrew & more.
Speakers of all languages are welcome!***

The **Language and Culture Exchange (LCE)** is a unique opportunity for SMC students to meet and converse with native speakers of the languages and cultures they are studying. Students use Canvas to find and select a partner, then decide the times that they will meet weekly (in Zoom, FaceTime, email, WhatsApp, etc.) to practice their language skills and learn about their cultures.

New this year: Monthly social hours on Zoom for all participants will include games, conversations and the chance to make new friends.

If you cannot attend an orientation, you can still participate by using [this link to self-enroll](#). It's free and non-credit, and it will not affect your transcripts in any way. Just follow the directions for what to do next on Canvas after you enroll.
