

Teaching Online with Canvas

Each section is designed to help you become familiar with, and excel in, learning and using Canvas to elevate your online courses.

Getting Started

Learn about the tools and basics of using Canvas.

Advanced

Learn online teaching strategies and how to make your online course accessible and equitable to *ALL* students.

Expert

Learn about advanced tools that will enhance your courses.

Next Steps

I am now well versed in using Canvas and a variety of educational tools to support student success. What tools are available to me next?
