

EDUCATION GOAL FOR FINANCIAL AID ELIGIBILITY

All students who apply for financial aid must have an eligible education goal on Corsair Connect. For financial aid purposes, eligible education goals at SMC are:

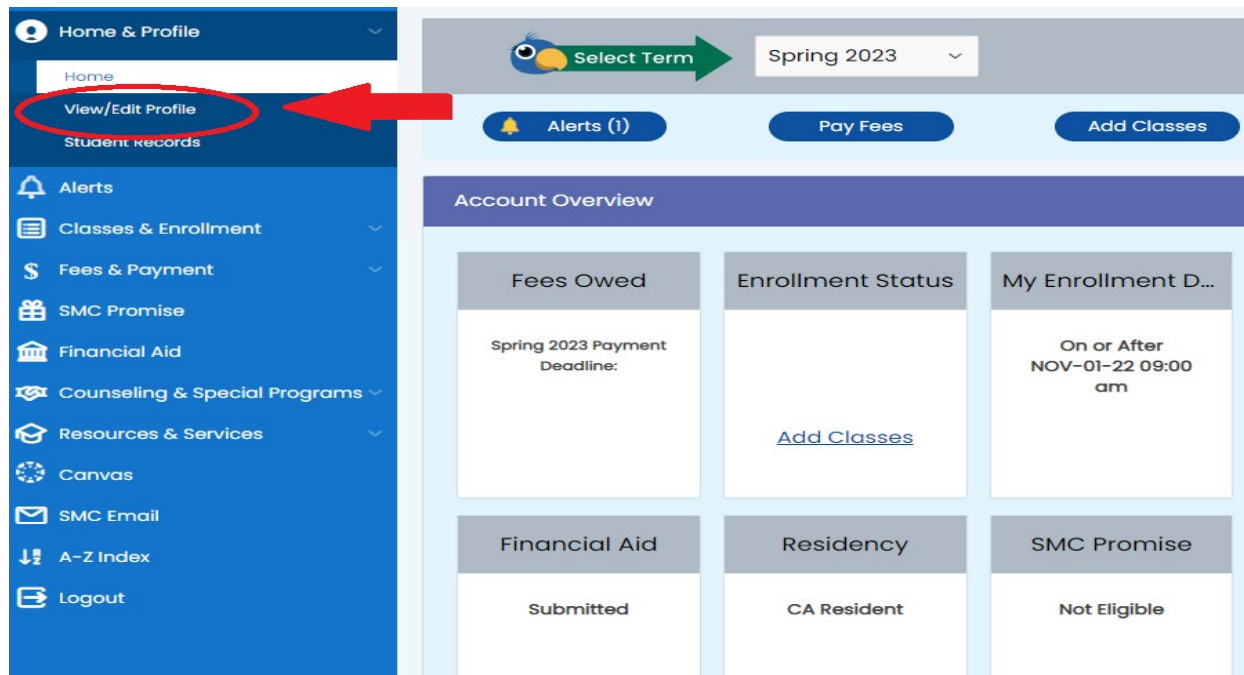

- Associate degree - Vocational Program (no transfer)
- Associate degree – General Education (no transfer)
- Transfer with an Associate degree
- Transfer without Associate degree
- Vocational Certificate – No Degree

The Financial Aid Office cannot move forward with the review of your FAFSA information until the educational goal is updated on your student account. Please follow the instructions below to complete this eligibility requirement. **Note: Education Goal updates must be made by the student through Corsair Connect. Updates made through MyEdPlan or counselor appointments will not update financial aid records.**

STEP 1: Go to <https://www.smc.edu/cc> to log in to your student portal.

STEP 2: On the Corsair Connect home page, click on the “View/Edit Profile” section.

STEP 3: Select the term for which you are requesting financial aid and scroll down to “My Educational Goals”

Select Term Summer 2023 Thu. Jun 22, 2023 – Week 1 of Summer

Student Profile and Preferences

You may update most of the information below at any time. Name changes require a [Change Request Form](#). Click the "Submit Changes" button to save your changes.

My SMC Profile

Student Number
Student Name
SMC Network Username
SMC E-mail Address
Preferred/Affirmed First Name (if different from your legal first name)
Display my Preferred/Affirmed First Name on Canvas and Instructor Rosters? No
I would like to use my Preferred/Affirmed name in my SMC diploma No
Do you prefer to receive your IRS Form 1098-T (Tuition Statement) electronically? Yes

My Educational Goals

Select the educational goal that matches your interests the most.

Notice on Financial Aid: If you are applying for financial aid, you may only receive aid if you select one of these goals: Transfer (with or without an AA degree); AA degree (no transfer); SMC B.S. in Interaction Design; or vocational certificate. You must also always maintain a current education plan in MyEdPlan for that goal. If you change your major, create a new education plan.

STEP 4: Update the Education Goal and click “Submit Changes”.

Select the educational goal that matches your interests the most.

Notice on Financial Aid: If you are applying for financial aid, you may only receive aid if you select one of these goals: Transfer (with or without an AA degree); AA degree (no transfer); SMC B.S. in Interaction Design; or vocational certificate. You must also always maintain a current education plan in MyEdPlan for that goal. If you change your major, create a new education plan.
