On April 9, 2020 Delphine with the assistance of Brandon and Janet hosted a virtual workshop on the best practices for faculty proposals for Field Studies 2022 and Study Abroad Summer 2022 and Global Grants Fall 2020. The participants were Catherine Fox, History, Taneka Washington, Art History, Koda Kol, Computer Sciences, Reza Yeganehshakib, History, and Nancy Cardenas, Counseling. She included a PowerPoint presentation explaining key portions of the application, responsibilities of faculty leaders, tips on how to select a course, narrow down a location, and research activities in the abroad location which would enhance the content of the course while providing a unique global experience for the students. As Delphine has led two previous SMC study abroad programs and will be leading a third program 2021, she was able to share her experience both in crafting a proposal and in leading two successful programs. The Committee agreed that this workshop be offered prior to future calls for faculty proposals.
