---	--	---

time.

Beau Espeso: Create a new structure for the next fiscal year to create college tours, check and balances. Creating a student population vote for student can vote,

Joe Kolko: I am running for sustainability, I learned about eh solar energy efficiency. I learned a lot of my commissioning. I want to impose re-suable bottle and more use of composing.

Husham: What I can do is to address. The beautiful thing is that SMC is very diverse. Everyone has different story. We can agree that we all need help at one time. We can assist each other if we need it. We need to start talking to each other and work within the community college.

Jeremy Thurman: Increase transparency within the student government. Within the brown act, it takes 72 hours to vote on proposal. Increase our engagement on social media. I want to quantity the increase amount number of engagements and our present in social media.

Alex Benavente: Running for student’s advocacy, not only doing it for politics but for my community. I am here to engaged in resources

Isabel Rodriguez: My main priority as future President so students to get more engaged within the community. My priority is for students to vote because our voices matter.

Arthur: I am the commissioner of the current Student Advocacy; I have been working more than 200 hundred hours. To meet with people who are underrepresented and

Gospel: Student Advocacy, Everyone says that will be representing 30,000 students. Instead of telling you, what we will be doing. We will talk about what we are made of. We are (TIE) Transparency Independency and Equity/. Our office hours will be outside so we can interact. Our slate works hard nothing will bring us down, we work relentlessly.
