What is a club?

A club is a student organization developed by a group of like-minded people, who have the same interests. This student-based organization are officially recognized once it has met all requirements of the Inter-Club Council (ICC), Associated Students (A.S.), and Santa Monica College policies and procedures. Students can join an existing club or start their own. Any enrolled SMC student can form a club. Clubs can change year after year and must register each academic year.

What is Inter-Club Council (ICC)?

The ICC is a body under the Associated Students (A.S.) of Santa Monica College and serves as the voice of all club members. The ICC shall consist of 1 representative/delegate from each officially chartered student club.

The purpose of the ICC is to:

- Promote student awareness of and participation in clubs.
- Provide opportunity for students to begin their own clubs.
- Establish coordination, communication and cooperation among the clubs.
- Promote the development of student leadership and service.
- Promote campus and public awareness of club activities.

For a full list of ICC responsibilities and duties, reference the [ICC Constitution](#).

What are the benefits of becoming a registered campus club?

There are many benefits of having an officially recognized club, including the ability to:

- Apply for A.S. funding through ICC,
- Submit room reservations for campus facilities,

4. Club Formation & Guidelines

To conduct activities on campus, student clubs must obtain official recognition from the SMC's Office of Student Life. Clubs that do not submit a [Club Registration Form](#) are considered unregistered clubs and will not have any of the club privileges listed in the above section.

To obtain official recognition, a club and all its members must follow and meet the requirements below:

6. Club Policies & Procedures

ICC Meetings & Voting Responsibilities

The purpose of the ICC Meetings is to keep the clubs informed about campus events that involve and/or affect clubs and/or the campus in general.

Club members are invited to share their views and opinions about these events and other issues if they so desire.

The end of each meeting is devoted to the sharing of club news and upcoming events.

For Chartered Clubs: In order to remain an active club, at least one of the club's ICC representatives must attend each ICC meeting, see '[ICC Agendas and Minutes](#)' for current meeting dates.

Meetings are held every other Thursdays, from 4:00 p.m. to 5:30 p.m.

- ICC Special Meetings may be added with a 24-hour notice, therefore, club presidents and ICC delegate must provide current emails to the ICC and are responsible for checking their emails throughout the week.
- ICC Delegates must attend all the regular & special meetings to represent their club.
- Meetings are conducted following parliamentary procedure.
- No member of the ICC shall represent more than one (1) club or office at anyone
- Before 4:15 p.m. the club rep must sign-in with the ICC Communication Officer. A club will be marked absent if the rep arrives after 4:15 p.m. or leaves before 5:30 p.m.
- If a club fails to send a Delegate to the ICC Meeting, the ICC Secretary will send an absence notice to the club president and advisor.
- A club will be un-installed (lose funding and services) when they are counted absent for the 2nd time (probation).

Club Allotment Funding

The ICC Allotment is funded by the ICC General Account, which is one of many accounts managed by the A.S., that are ultimately determined by the A.S. Resource Fee revenues.

Funding is based on a percentage rate, according to the club installation date into the ICC. *Subject to change.*

Must submit club registration forms 6 business days before the ICC meeting you want to be installed in.

EXAMPLE

If the maximum ICC Allotment for the current semester is \$600, then:

Meeting #1 & #2, 100% = \$600.00;

Meeting #3 & #4, 66% = \$396.00;

Meeting #5 & #6, 33% = \$198.00

Check out the [ICC page](#) for specific dates and deadlines as well.

Special Account Funds

What is a Club Special Account?

It is an account of funds collected by an individual club through fundraisers, donations, etc. This is not the ICC Allotment Funds allocated to each club per semester, which is additional monies.

- Special Account monies must be kept in the club account managed by the Auxiliary Office.
- Clubs are not allowed to have bank accounts outside of SMC. The Auxiliary Office is the club's bank
- The club advisor must deposit all Special Account club monies into the club's account located in the SMC Auxiliary office.

How do you open a Club Special Account?

Club Special Accounts are opened by the Auxiliary Office when a Club has funds to deposit. Please refer to the section on Fundraising & Raffles below for more information on rules and regulations on fundraising.

How to withdraw funds from a Club Special Account?

To withdraw the special account funds, the club must submit club minutes and A.S. Check Request Form.

- Club expenditures must be decided by club majority vote, and be noted on the club minutes, showing voting results and explaining the expenditure or reimbursement.
- Retroactive spending is allowed.
- Since the clubs earned the money as an entity of the ICC, which in turn is an entity of the Associated Students of Santa Monica College, thus A.S. is the overseer of all club funds, and must sign off on the Check Request Forms.
- Funds roll-over every year while the club is active, unless the club is inactive for 2 consecutive years or more.
- The funds of a 2-year inactive club will default to the ICC General Account. The default funds will be used for the benefit of all clubs, i.e., prize money, bonus money for attending the ICC Retreat, etc.

For more information about Club Special Accounts, please visit the [Club Special Accounts FAQ's](#).

Proposals: Events & Purchases

Because the Office of Student Life (OSL) oversees clubs, OSL must approve all club activities and expenditures before they take place. No activities or expenditure will be authorized or allowed until prior approval is obtained.

Why is prior approval important?

- To protect SMC from any liability: injuries at our events, field trips, contractor-services, etc.
- To protect A.S. Directors, ICC Clubs, & SMC employees from any liability: spending and documenting the use of Public Funds.

What is an A.S. Proposal?

- A Proposal is used when you (A.S. Directors, clubs, campus departments) want to Suggest, Recommend, Offer, or Propose to:
 - hold an event / activity / fieldtrip
 - spend A.S. or ICC funds, which are public funds, and have guidelines that must be followed.
- A Proposal is an agreement between A.S. and the club, dept., etc.
- Proposals for funds are NOT guaranteed; they can be approved, denied, or partially approved, etc.
- An approved proposal must be followed and adhered to, since it is an agreement.
- Proposals are considered a Public Document; therefore, they may be available during a public meeting for viewing by all; with the exception of your contact information.

How to Submit a Proposal

Step #1: Review Proposal Criteria

- A Proposal includes what you want to do and/or purchase.
- Proposals must follow the A.S. Fiscal Policy guidelines, as well as, BOT / AR policies, State & Federal guidelines.
- Proposals should be clear and specific in stating activity or event details.
- If the Proposal requires funding, Check Requests submitted will have to match what you asked for in the Proposal. See more information about Check Requests below.
 - Every item which the club intends to purchase with the requested funds should also be clear and specific. This includes the name of the item, the quantity, the price per unit, and the total cost of the items.
 - Official price quotes or “proof of price” for every expense budgeted must be submitted with the proposal unless the finance committee officially authorizes “pending quote approval.”
- Proposals are to be submitted electronically to the Office of Student Life by posted deadlines. See ‘Submit Proposal’ below for more information.

Step #2: Be Mindful of Deadlines and Timelines

- All proposals should be submitted on electronic form by 2pm the preceding Wednesday of the meeting the club wants to be considered on.
- Proposals that do not meet the posted deadlines may not be considered and/or may be delayed.
- Here is a link to proposal dates and deadlines. This can also be found in Forms and Documents webpage in the A.S. Website (www.smc.edu/as)
- Proposals for events and field trips that DO NOT require funding should be submitted at least three (3) weeks before the event or field trip.
- Proposals for events and field trips that DO require funding should be submitted earlier, 4-7 weeks before the event or field trip.

- If you are requesting funding and are planning to be reimbursed, plan on submitting a proposal 4 weeks before the event/activity date.
- If requesting funding, and need the funds beforehand, plan on submitting the proposal at least 7 weeks before the date of the event/activity. This is because it can take 20 business days for the club to receive the granted funds after the proposal receives approval. See flow chart below.
- No Retroactive Funding allowed in the ICC Allotment Account. Please do NOT spend any money until your proposal has received FINAL APPROVAL at an A.S. Board Meeting. Otherwise, you will not be reimbursed or worse yet, your vendor will not be paid.

Step #3: Submit Proposal

- Here is a link to the electronic online Proposal Form.
- Necessary forms to fully complete the Proposal Form:
 - **Proposal Signature Page**: Must obtain Signatures for all proposals. You can upload this sheet to the online proposal form or email it to OSL@smc.edu after submitting the proposal.
 - **Proposal Budget Breakdown**: Only needed if your Proposal requires funding. You must include a budget breakdown within the Proposal Form, or you may attach a budget spreadsheet to the Proposal Form before submitting.
 - **A.S. Co-Sponsorship Form**: Only needed if co-sponsoring with another club or dept. Complete this form, obtain Signatures, and upload to your proposal.
 - **A.S. Multi-Logistic Form**: Only needed for events that are more than one day or more than one location. Complete this form, obtain Signatures, and upload to your proposal.
 - **A.S. Inventory Form**: Only needed if purchasing equipment (not supplies). Complete this form, obtain Signatures, and upload to your proposal.
- For all A.S. Forms (see <https://www.smc.edu/community/office-of-student-life/student-government/forms-documents.php>).

Proposal Tips:

- The Proposal Form is not savable – so you need to submit right after working on it!
- For Proposals that need funding, you can include a budget breakdown in the Proposal Form, or you can attach budget spreadsheet to the Proposal Form.
 - When looking at your proposal budget, think of including a 10-15% contingency for additional or unexpected costs.
- Once your proposal is presented at the A.S Finance meeting, the amount in your proposal can not be increased. Requested changes to the amount in a proposal MUST be emailed to the A.S Finance Committee ahead of time.
- A proposal to use funds from a club's allotment to purchase club-themed clothing or other items for promotional purposes should be submitted no later than the ninth (9) week of the fall and spring semesters and should adhere to the price limit guidelines established by the Finance Committee

Step #4. OSL Reviews and Club Presents the Proposal

- Once a club has submitted a proposal, the proposal is reviewed by the Office of Student Life
- Once reviewed by OSL, the Club ICC delegate or President must be present at the required meetings to have their proposal voted on. See Flow Chart below to find which meeting(s) must be attended to obtain approval.
 - The person presenting the proposal should be as familiar as possible with the details of the event, including the budget, agenda, advertising methods, and prior attendance of the event.
 - Make sure to check the meeting(s) agenda to confirm that your proposal item is present on the agenda beforehand.

Step #5: Approved Proposals have Deadlines

- For an Event / Field Trip: The deadline is the date on the proposal.
- Undated proposals expire by the deadline stated on the A.S. Website:
 - Last day for Check Requests is the last day to spend approved proposal funds.
 - Last day for A.S. & Club events / activities is about 1 -2 weeks before finals.

Step #6: Check Requests & Reimbursements

A.S. Check Requests

- An A.S. Check Request is a document to request a check to be paid from A.S. or ICC monies. It is submitted electronically to the Office of Student Life.
- The amount of money and the purpose is stated on the approved proposal, which can be:
 - Vendor payment
 - Reimbursement
 - Budget Transfer (to SMC department only)
- No Unapproved Purchases: Only items or services stated on the approved proposal can be paid by A.S. or ICC funds.
- The accounting books close at the end of the fiscal year (June 30th). So all Check Request Forms must be submitted by the first week of June.

Types of Check Requests

- There are 2 types of A.S. Check Request Forms:
 - **A.S. Purchase Request Form**: To make a Payment to a vendor, contractor, or an SMC department (do not use this form to pay an SMC student or staff).
 - **A.S. Reimbursement for SMC Employees/Students Form**: Includes student stipends. Do not use this form to pay vendors or contractors.
- All the instructions are on the form, start at the top and go through all the steps.

- Remember to upload the applicable forms where it is stated on the form:
 - Applicable forms: receipts, invoices, contracts, minutes page, etc.

Reimbursements & Receipts

Receipts (in-person or electronic) must show the following:

- Vendor Name
- Vendor Contact Info, at least one of the following:
 - Address, phone #, website, or email.
 - Date of Purchase
 - What was purchased - Itemized
 - Price of each item
 - Quantity of each item
 - Total amount Paid
 - Form of payment (credit card, cash, or bitcoin, etc.)

Vague Receipts: Additional Proof-of-Purchase may be needed, if any info mentioned above is not on the receipt.

- May need to submit credit card statement showing the total amount paid in print.
- Credit card statement must have the following items printed and not added:
 - Name of purchaser
 - Name of vendor
 - Amount charged
 - Last four-digits of the credit card:
 - Must match the four-digits on the receipt
 - If four-digits are not available on receipt, we can use the vendor name and date purchased on statement.

Check Request Tips

- Make sure you include the correct Proposal number in the Check Request Form. You can locate the Proposal number in [the A.S Board Meeting minutes](#).
- You must attach a copy of the meeting minutes with your proposal approval highlighted. **Important:** Only attach 1 page of the meeting minutes – the page that shows your proposal.
- Signatures are important, please make sure that the signatures on the check request match the signatures OSL has on file.
- Please note: The student payee and student officer cannot be the same person on the form. You will need another club officer that is on the original Club Signature Form to be listed as the Student Officer.
- Reimbursement tip: Try to have one person pay for all of items listed in the proposal, instead of multiple people purchasing items to make the Check Request process easier.

Step #7: Update Club Balance Sheet

- You will need to keep a balance sheet on your club ICC Allotment spending.
- Record the check request forms you have submitted, and their total money spent.
- Take into consideration the proposals that are approved, but still need check requests to be submitted.
- Check out the [Resources](#) section below for links to budget sheet examples.

- The purpose of the trip must be educational, team building, and/or representing SMC.

All SMC students' actions in affiliation with SMC including clubs and organizations must adhere to the College's Student Code of Conduct, Honor Code and other relevant administrative regulations and education codes. Any student found in violation of these policies and regulations may result in disciplinary action.

The Office of Student Life provides a club directory page where we can list relevant club information such as club mission/vision, club contact information, club meeting information and social media links.

In addition:

- Clubs can work with A.S. publicity to post these items on A.S. social media
- Clubs can work with A.S. activities to include these items on SMC campus calendar.

Fundraising & Raffle Rules

Fundraising

Up to \$200 of the ICC allotment may be used for club fundraising projects per semester. Items approved for giveaways must not be sold.

If having a fundraiser at any SMC campus, you must obtain a register drawer, [Complete the Collection of Funds Form](#), and upload to your proposal to A.S. for approval before fundraising.

"Raffle or Lottery" vs. "Drawing"

When a group is thinking of a fundraising activity, one method often thought of for raising funds is by conducting a raffle or a lottery. However, in the state of California, raffles and lotteries are illegal if a person is required to purchase a ticket or make a donation in order to be eligible to win the contest. It is legal to conduct a Free Drawing in connection with an event whereby those soliciting, ask for donations and after receiving a donation, give the donor a free ticket or tickets to a prize drawing.

The following rule must apply for it to be considered a Free Drawing:

- The drawing must be in connection with an event.
- The ticket must have the following information:
 - The date, time and location of the drawing;
 - The name of the College unit or other entity that will benefit from the "Free Drawing."
 - The name of the sponsoring organization that is putting on the event
 - Wording on the ticket must include the words: "FREE TICKET" and "YOU PAY NOTHING IN THIS DRAWING. WINNER NEED NOT BE PRESENT. A FREE TICKET MAY BE OBTAINED AT (give an address).

Prizes

- Prizes must be awarded through a drawing of tickets given to game winners.
- Prizes may be goods or services.
- Prizes consisting of alcoholic beverages are not permitted.
- Prizes may be donated to or purchased by the sponsoring organization.

Advertising

- All advertising must indicate that no purchase or donation is required to participate and that the drawing is open to the campus community.
- The word "drawing" or "free drawing" is required; do not use the word "raffle" on the ticket or in advertisements.
- For more detailed regulations, you can read the [CA Policy on Raffles](#)

Contracts

- All Independent Contractor Agreements, Waivers and W-9s for any vendors, speakers, DJs, or other entertainment services, must be initiated with the OSL at least six weeks prior to the event.
- Do not sign any contracts on behalf of your club. All contracts for services must be signed by the vendor and the Dean of Education Enterprise prior to submission of the requisition.
- All performers must sign and abide by the A.S. content agreement within the contract packet.
- A.S. will not fund services not yet rendered except for reasonable contractual deposits.
- Any related party transactions (relatives or friends to anyone on the A.S. Board, Club Members, or other interested parties to a proposal) must be disclosed on the proposal and must include evidence of professionalism in the field by the individual to be hired.

A.S. Contract Packet- consists of two forms:
