WELCOME TO SMC!

We are excited to help you explore all that SMC has to offer! Please check out the resource fair, application and enrollment support, workshops, and "Exploration Destinations" in the afternoon! We are here to help you **Explore.Connect.Start@SMC!**

9:00 A.M. - 2:00 P.M.

Resource Fair

Location: SMC Quad

Come explore SMC's many programs and services at our resource fair.

9:00 A.M. - 2:00 P.M.

Areas of Interest Fair

Location: SMC North Quad Grass Area

Come explore our Areas of Interest fair and connect with our academic departments to help you find your path at SMC.

9:00 A.M. - 2:00 P.M.

Enrollment Labs

Locations: Success and Engagement Center (inside SSC) & Cayton Center Computer Lab

Come get assistance with applying to SMC and enrolling in classes at either location.

9:00 A.M. - 2:00 P.M.

Parenting Student Connection Zone

Location: Grass Area by the Life & Physical Science Complex

Are you an SMC student? Are you also a PARENT? Come bring the whole family over to the Parenting Student Connection Zone to see the types of free resources and supports that are available to you here at SMC!

10:00 A.M. & 11:00 A.M.

Workshops

See details inside.

12:30 P.M., 1:00 P.M., & 1:30 P.M.

Campus Tours

Location: Library Front Steps

Guided tours with an SMC Ambassador will begin at 12:30 p.m., 1:00 p.m., and 1:30 p.m. from the Library front steps for a general campus overview.

10:00 A.M. & 11:00 A.M.

Workshops

Financial Aid Orientation ①

Location: Life & Physical Science Complex, SCI 145

Come find out how to get your financial aid processed at SMC so it's ready when the semester starts. From filling out the FAFSA or Dream Act application, to getting the financial aid money in your account, we're here to help.

SMC Promise Program: Free College Enrollment Exists! ②

Location: Humanities & Social Science Building, HSS 105

Are you a first-time college student graduating from a California high school this year? Then you may be eligible for SMC's Promise program, which can cover your enrollment fees and possibly up to \$1,200 in textbook costs for 2 years. Come learn more!

How to Transfer to Top College ③

Location: Student Services Center, Orientation Hall (SSC 183)

Discover strategies for transferring to a UC, CSU, and other universities. SMC has been #1 in transfer for over 30+ years, so come find out how to be part of that success story!

GET CONNECTED:

Student Experience Panel ④

Location: Life & Physical Science Complex, SCI 140

Come hear from SMC students about their experiences and what supports and resources were helpful to know about.

It's Okay to Be Undecided:

Come Explore SMC! ⑤

Location: Humanities & Social Science Building, HSS 104

Not sure what to major in? Come explore all that SMC has to offer by learning about our Areas of Interest and how our Career Services Center can help you get on your path.

How to Support Your Student! ⑥

10:00 a.m. session in Spanish

11:00 a.m. session in English

Location: Humanities & Social Science Building, HSS 165

It takes a village to support students in reaching their academic goals. Whether your student is the first in their household to go to college, or not, SMC is here to help everyone to get on board! We encourage families to come and learn what to expect and how best to support the students along their journey.

Se requiere una comunidad entera para apoyar a sus estudiantes para lograr sus metas académicas. Si su hija/o es la/el primero(a) en transferirse en su hogar o no, Santa Monica College está preparado para apoyar a sus estudiantes. Recomendamos a sus familias que vengan y aprendan lo que se espera del mundo de estudios superiores y como mejor apoyar a sus estudiantes en su jornada académica.

12:30 P.M. – 2:00 P.M.

Open House Exploration Destinations

Explore as you wish! Self-guided tours by using the "Exploration Destinations" map in this program. Come explore the campus on your own for a closer look at many of SMC academic programs and services.

Theatre Arts Open House ①

Location: Theatre Arts, Main Stage

Enjoy performances by our students in Acting and Musical Theatre and find out about our courses in Directing, Stage Movement, and Voice for the Actor. Learn about our Technical Theatre courses in Lighting, Scenic Design, Costuming, Make-Up, and more!

ALL THINGS ART @SMC ②

Location: Art Complex

Tour the Art Department and see all the create space tools in action! Meet faculty and students, hear about careers and transfer paths in the arts and MAKE SOME ART! We will be working on large scale mural panels and other projects throughout the space.

Biotechnology Saves The World ③

Location: Life & Physical Science Complex, SCI 124

Biotechnology Saves the World! Please join our outstanding Life Science faculty as they share insights about the program and support offered to students.

Design and Media Careers ④

Location: Humanities & Social Science Building, HSS 165

See what students are doing in classes for design and media careers. Animation, Film, Architecture and Interior Design, Media Broadcasting, Graphic Design, Journalism, Digital Media Post Production, and Interaction Design!

Photography Department Tour ⑤

Location: Drescher Hall, DRSCHR 110

Come explore the amazing facilities of the award-winning Photography Department and experience hands on demonstrations in both analog and digital photography.

Dance/Hip-Hop & Hawaiian ⑥

Location: Core Performance Center, CPC 314 (third floor)

Explore SMC Dance Department's state-of-the-art studios and take part in a hip-hop or Hawaiian dance demonstration.

Thinking of Studying Business? ⑦

Location: Business, BUS 111

Come learn about the Business Area of Interest from faculty, students, and counselors. You'll hear about the many programs we have for transfer, marketing, accounting, entrepreneurship, and more! Sessions at 12:30 p.m. and 1:20 p.m.

Math Department & Math Lab ⑧

Location: Math Complex, MC 84

Come check out the Math Department and Math Lab for a tour of the department, tutoring labs, and resources offered.

Culinary Chemistry ⑨

Location: Life & Physical Science Complex, SCI 305 (third floor)

Let's explore the chemistry side of the culinary world! Roll up your sleeves and make caviar-like hydrogels that any chef would be proud to garnish their dishes with. Learn how red cabbage juice can be used to inform the pH of food and common household products.
